Creating a safer Cambridgeshire

Between 27th March, at 17:30 and 28th March, at 07:30, a theft from a vehicle took place in Appletrees. Vehicle was secured and unattended, parked at location stated. Unknown offender/s have gained entry to vehicle by smashing driver's side window, and removed various tools.

Between 27 March 23:00 hrs and 28 March a 07:00 hrs, a theft of a bicycle took place in Hollytrees. Unknown offender/s have gained entry to a property via side gate, forced padlock from garden shed to open, and taken a Raleigh ladies' bike.

On 28th March, between 09:00 hrs and 20:50 hrs, a garage was broken into in Pheasant Rise. Unknown offender/s have forced the lock from the up and over door garage, then placed a screw where the lock was. Nothing appeared to have been taken from the garage, albeit there are several expensive tools kept in the garage.

Between 2nd April, 19:00 hrs and 3rd April 03:00 hrs, a theft from a vehicle took place in Appletrees. Vehicle was secured and unattended. Unknown person/s have smashed vehicle window and taken items from within.

Two arrests have been made in connection with theft from Bar Hill Tesco. Both suspects have been charged and will be appear in court soon.

If you have any information relating to the above crimes then please call 101, the non emergency number for Cambridgeshire Constabulary. Alternatively you can email me at bujar.mani@cambs.pnn.police.uk or you can contact Crimestoppers anonymously on 0800 555 111. In an emergency or if you believe a crime to be in progress please dial 999.

On Wednesday, 10th April, between 16:10 hrs and 16:50 hrs, there was a crime report of criminal damage to a vehicle at Bar Hill Tesco car park.

At the time and date stated above, the victim was leaving the Tesco car park. As she drove past the zebra crossing, a male offender used a tree branch approximately 1 metre long to hit the victim's vehicle, which subsequently caused a dent to the passenger's side door. On hearing the loud bang, the victim stopped. The offender has refused to speak to the victim or wait for police attendance and made off from the scene.

Two of my colleagues, PCSO Mason and PCSO MacInnes responded to this incident and soon after they located the offender hiding in the wooded area opposite the Spinney in Bar Hill. The offender was detained and dealt with accordingly.

As some of you may know HGV parking in Saxon Way, Bar Hill was brought up in the last panel meeting by Bar Hill Parish Councillors. Since then our neighborhood police Sergeant Paul Rogerson made this issue a local priority making us have a lower tolerance level for these offending vehicles. Over the last 3 months we have noticed a significant drop in offending vehicles through vigorous patrols and officers issuing numerous parking tickets.

Kind Regards

Dear Editor

A few weeks ago an article appeared in the Cambridge News that brought joy to my heart. It was the YELLOW RIBBON FOR DOGS CAMPAIGN, www.yellowdog.co.uk.

Some dogs, mine included, are very well behaved on a lead until harassed by other dogs. By placing a yellow ribbon on a dog's lead you are indicating that other dogs should be kept away from your dog. There are many reasons why loose dogs should be kept away from dogs on leads; they may be unwell, very nervous, old and grumpy etc. The worse culprits are the small dogs whose owners consider to be harmless. The problem which can arise is, if a loose dog is allowed to run up to a dog on a lead, it may well cause it to freak out and, before you know where you are, has the owner tied in knots or worse still pulls him/her over.

Many people are still unaware of the campaign but please dog owners, if you see a yellow ribbon tied to a dog's lead do keep your dog away from it. Actually whether or not a yellow ribbon is displayed it is always a good idea keep loose dogs away from dogs on leads.

Jill Smith

Dear Editor,

I look forward to the Bar Hill News and go straight to the letters page. I am amazed and stunned that letters about politics are printed. Why are these in the Bar Hill News? We all have our own views re politics and I for one do not want to read anyone else's views.. It's like a party political paper...why...the one person that talked about Gordon Brown, Blair. who was to blame for this and that..again why? He took up 1 ft of the letter page..about his own views ...we are bombarded with politics by the media...TV, newspapers, and the web...I have spoken to other people who agree...I read a lot of other village news magazines over the years and ours is the only one that you read these comments. It's a very good village magazine, a happy one to read.. so please let's get back to how it used to be... Thank You.

Jean Burrage..

Jean and others will be pleased to know that the Residents' Association have asked me not to include any more letters about politics unless they apply specifically to Bar Hill. Please keep writing letters to the Editor.

Tom Flanagan

It was with great sadness that I learnt of the death of Tom Flanagan. Tom had lived in this village for many years and brought up his family here. He had business interests in the area and was very free with his voluntary work. He was a long standing member of the Parish Council and represented Bar Hill on the District Council for many years as well as being on the committees of several organisations in the village.

Tom was a gentleman: cheerful and ready with a joke, and he was generous to Bar Hill because of the time he spent on village affairs. Tom lost his wife Carol a few years ago and found it difficult to adjust to life without her. Sadly, his own health deteriorated towards the end of his life. My thoughts are with his family as they try to go forward without him.

Margaret Sellars

(The Editor apologies that this tribute is so late after Tom's demise: his death was not brought to her attention in time for the March or April editions.)

Tom Flanagan

Tom Flanagan, who died in February, will, in the eyes of his village contemporaries, always be synonymous with the history and development of the village during the last forty years, serving as the chairman of the Parish Council from 1980 to 1984 and representing the village on South Cambridgeshire District Council from 1978 to 1986 and from 1994 to 2004. He and I served on both councils for many years and, although we had differences – and many of these were quite fundamental – we shared a deep commitment to the community of Bar Hill. In 1976-77, before Tesco arrived on the scene and when Bar Hill had no food shop, I shall always remember the Flanagan family selling fruit and vegetables around the village from the back of an old fish and ship van.

In the late 1980's, our two families were active in promoting the unofficial twinning between Bar Hill and the German new village of Emmertsgrund and, at the same time, we went on sponsored 10-mile walks each year for the Corrymeela Community in Northern Ireland as it sought to heal differences between the Protestant and Catholic communities in the province. Tom, who fervently believed in Bar Hill people, will be sorely missed by all who knew him and who shared his vision of creating a community where none had hitherto existed.

HAPPY HOURS

Despite the weather our members have enjoyed the Club. We had a chocolate collection for Acorn House at Addenbrookes - thank you to every one who contributed. A nice surprise: the children from the school choir came and sang for us which was very entertaining and our thanks to the School. We hope they come again soon.

Our speaker this month was from Age UK. She explained all about the organisation, their aims and purpose and the things they try to do and advise on. Many of our members had questions and arranged home visits for specialist advice. We were all left with a package of booklets to refer to in need. We finished the month with Easter and a free raffle for Flowers and chocolates and Easter cakes for tea.

A Community Event

Saturday 6th April was my first Bar Hill Community Market. Not as a shopper, as I have been before, but as a stallholder.

The market is a wonderful opportunity for local people to show off their skills; be it jam and chutney making, which is what I do, baking, knitting, photography etc.

The market has been going for three years, ably organised by Karen Austen and Sue Gadsby. It takes place in two large rooms in the Octagon, but also has a strong presence at the Village Fete. In December, there is an extra large market, with additional stalls in the Church itself.

Taking the step to becoming a stallholder has been an interesting one. In addition to the actual food production, I have had meetings with Food Hygiene and Trading Standards to ensure my set up and procedures are correct; ordered all the items to decorate the stand and designed leaflets and labels.

Stallholders arrive from 9:30 to set up. There is a map on the door to show traders where our stands are and then we just have to pay Karen for the table. The market opens at 10:30 and then it is just about waiting for perspective customers to appear.

I had my first sale at 10:50 - a great feeling! I have enjoyed making my own jams and other produce for a number of years and it was on the suggestion of my brother that I decided to try selling it. Key ingredients are all foraged, home grown, or sourced from local farmers' markets and farm shops.

It really is a 'community' market, so you have plenty of time to chat to the stallholders about their products, as well as getting a cuppa and a biscuit from the kitchen or even a burger from the BBQ - if the weather is kind.

I was expecting a lot more people to pop in, as Bar Hill is such a large village. I think a lot of folk are missing out on a great opportunity to support local producers and purchase some interesting and good quality products.

If you are looking for a stunning fascinator to wear to Newmarket races, a lovely card (which everyone won't have already seen on the supermarket shelves), some beautifully made fabric animal bunting for a child's room, a luxury scented candle to give as a gift, or some yummy Hedgerow Jam (by Auntie Allie!) then I suggest you pop along to one of the Bar Hill Community Markets. https://twitter.com/AuntieAllieFood

BAR HILL COLTS FC

There are only a few games left in the season and just to remind you all of our end of season presentation on Saturday 18 May at the Village Hall commencing at 6.00 pm. So come along and celebrate with all our teams.

THE VIXENS

Saturday 16 March – The girls traveled to Sawston and were leading through a goal from Isabel Bryant until five minutes from the end when our hosts equalized. Olivia Merry played in goal for the whole match and was also awarded player of the match for the number of saves. Tilly Knott was captain for the game.
Saturday 6 April – Home game to Soham Town Rangers 2-0 win to us. Charley Satchell had an outstanding game as captain and Daisy Brumpton was awarded player of the match for her performance.

BULLETTS vs HAVERHILL

The Under 11 Bullets played back-to-back matches against visitors Haverhill. In the first game, the Bullets made the first break through with Jack Davies scoring from close range after some good work by Jamie Wilkinson. Haverhill hit back twice, but the team responded well and the midfield pairing of Tommy Tyrrell and JD put Haverhill under pressure. Richard Du was excellent throughout and his skill and trickery on the left wing was rewarded when he was fouled in the penalty area and he scored from the resulting penalty. However, an injury to defender Evan Barrett weakened the team and even with the usual strong defending by man of the match Dan Cundy, the Bullets could not prevent another Haverhill goal. But, with just minutes to go Raeel Afaal slotted home an equaliser from a tight angle to complete a thrilling 3-3 score line.

After a good break to allow the players (and referee Richard Lorraine!) to recover, the 'away leg' kicked off with good passing and flowing football from both sides. Both sets of defences continued to play well, with Nathan Rabel showing some good touches and teaming up well with man of the match Richard Du. Following some good midfield interplay, Jamie Wilkinson played a great ball across the goal where Chloe Norden scored the only goal of the game. The Bar Hill defence remained resolute as Haverhill pushed for the equaliser, with Sam (Jeff) Batters in goal showing safe hands when needed, ensuring a deserved victory for the Bullets...

THE FOXES

Willingham 0 – 2 Bar Hill Foxes
Bar Hill started the game better than they have for a while but neither team could take control of the game. Both sides were creating half chances with good work from Thomas Cheesley and Ollie Andrews on the wings, and Reece Flatts always being a threat. At the other end the calmness of Nik Ahyaee and awareness of Miles Harvey helped keep Willingham at bay. The deadlock was finally broken in the first half when John Cornwell scored a great free kick from 15 yards out.

The second half was even better from Bar Hill with some great tackling from Joe Playle and Archie Peterson. The second goal started from a pass by Charlie Parker and some great battling on the right from Theo Collins before he coolly crossed for John Cornwell to tap in his second. A close game and a good team performance

FRIENDS OF BAR HILL LIBRARY

Coffee mornings:

Thursdays 2 May and 6 June are the dates for our next two coffee mornings in the Library, from 10 am to noon as usual. We are delighted to have the village walkers joining us there from time to time.

We are also delighted that the Library is the venue for the coffee mornings held for the village on Wednesdays by Knit and Natter. Their regular contributions to our funds are much appreciated and go towards the equipment that we give to the Cambridgeshire Library and Information Service.

Storytime: The Friends' latest support for the Library Service takes the form of musical instruments. We are providing these for the under-5s' Storytimes, held on two Saturdays a month and run by two of our members in turn. Details of these appear elsewhere in *Bar Hill News*.

Talks: Now for advance notice of our next talk. On 18 July we are having a visit from Sheila Stuart, who is serving her second term as Mayor of Cambridge. She will give us an insight into what goes on in the Mayor's Parlour. We do need your support for our talks; we shall not be able to continue them if attendance continues to wane. Please note the date; tickets will be available later.

'I'm from the Water Board' – OH NO YOU'RE NOT!

There is now no such thing as the Water, Gas or Electricity Board – they are all named companies - Cambridge Water, British Gas etc.

Whenever ANYONE unknown to you rings your bell -

LOCK - Is your back door locked?
If not, lock it before you answer the front door as distraction burglars often work in pairs - one distracts, while the other steals.

CHAIN - Put this on before you open the door. If you have not got one, it is a good investment.
Alternatively talk through the letter box and don't open the door until you have checked the caller is genuine.

CHECK – If they claim to be official, ask for their identification card (round the chain or through the letter box) – it will have photo and company logo.

CALL – Retain the ID card and keep the door closed while you ring the company number in the phone book or on your bill (not the number on the card as it may be false).
If the caller is genuine they will not mind waiting or coming back another day.

*****If you are concerned, keep the door closed and ring the police (999) – you may save someone else being conned.*****

In addition **genuine** officials –
- often wear uniform with company logo and drive a clearly marked van.
- understand the danger of bogus callers so will be patient and understanding.
- will not panic you with alarming talk of quick, emergency, leak etc.
- very rarely need to go upstairs and do not need more than one person in your house at any one time.

*****IF IN DOUBT, KEEP THEM OUT.*****
It is your home and better to be safe than sorry.

Christian Aid Week 2013

From 12 to 18 May volunteers from Bar Hill Church will be delivering Christian Aid Week envelopes throughout the village once again. Note that Neighbourhood Watch stickers on doors do not apply to charity collectors – they will call on all residents to seek support in raising money for people in the third world. Unlike some charity collectors, they will receive no personal benefit from calling on you.

In our village we all have many things we take for granted – such as enough to eat, well-built homes, our own supply of clean water and free education. Christian Aid runs projects that help to improve the situation of those who lack these. To support the collection, please put your contribution in your envelope ready for collection. If you are a tax payer, fill in the Gift Aid declaration; it will make what you give worth 25 per cent more and cost you nothing. Do answer the door to your collector when they call, and please be polite; a few residents are unpleasant to those who give up their time to help others.

Last year nearly £2,900 was raised in Christian Aid Week in Bar Hill, and Gift Aid added an extra £329. Please help us to reach an even better total in 2013.

Community Navigators

Routes to activities and services

Do you know what is happening in your community?

Community Navigators are local volunteers who can help guide people to activities or services which they would enjoy or find useful. A Navigator could, for example, point you in the direction of a club or activity group, a local transport scheme like a community car scheme, or let you know where you could get a benefits check-up, equipment for the home, or help at home with things that are difficult.

A local Community Navigator will be at Bar Hill Library 12 – 2 p.m. on the first and third Monday of each month starting from Monday 20th May.

The service is free and there is no need to make an appointment, so why not pop in and meet your new local Community Navigator?

CRICKET CLUB

I'd like to say by the time you read this we will have started our season – but our marvellous weather might have prevented us from getting going - we are several weeks behind in pitch preparation.

There is more news off the pitch than on, with our Clubmark accreditation process gathering pace – hopefully good news before too long.

We have relaunched our campaign to raise money to build an outdoor net in the village to help us coach and practise in a safe environment. The approximate cost will be £18,000 and we have a three-year project to raise the cash from a combination of our own fundraising, grants and donations. Anyone who would like to help, or knows of any grant-giving bodies that would be worth approaching, please contact me on the number below.

Youth training sessions continue on the village green every Tuesday from 6.30 to 8 pm, led by our qualified and CRB-checked club coaches Craig Driver, Vicky Neal, Pete Howard and Tom Levitt.

It costs £15 per child to join the club for this season and there are NO other fees payable for training sessions or matches at any time during the season. All kit is also provided, and we welcome boys and girls of any age.

There are a number of matches for the juniors at under-13 during May – see our website at www.barhillcricket.org.uk for more details. But we welcome younger players as well.

Our midweek league programme starts on Thursday May 16. Matches begin at 6 pm in the Cambridge Business Houses League.

We are still looking for some help with pitch preparation. If anyone reading this is interested or knows someone else who might be, or has any knowledge of groundsmanship they are willing to pass on, then please contact me on the number below.

Finally, thanks to the gentleman who donated some unwanted equipment to us this month, which was gratefully received.

For all the latest news on the cricket club, visit **www.barhillcricket.org.uk**

We also have a Facebook page and you can follow us on Twitter @BarHillCC

Bar Hill Nature Reserve

A recent conservation work day was attended by over 16 people with thanks to the help of the Cambridge Conservation Volunteers and locals. Tasks included the cutting back of hawthorn scrub to open up areas for wildflower planting.

It is hoped to continue the positive management of the nature reserve to ensure that it is as good as it can be for the frogs, water voles and snipe. Exciting plans are being discussed with the parish council but details are far from finalised at present.

What needs to be achieved this summer is a water vole survey. I already have at least one volunteer but would **welcome the input of a few other people. If you would like to be trained-up to find water vole signs (one of the UK's fastest declining mammals) please contact me**

via rob.mungovan@scambs.gov.uk Survey work will most probably take part in early June.

Rob Mungovan, Ecology Officer, South Cambridgeshire District Council

APPRENTICESHIPS AT SOUTH CAMBS DC

Council leaders have backed plans to break down barriers to employment after leading the way by hiring two new apprentices at South Cambridgeshire Hall.

Housing bosses at South Cambridgeshire District Council have taken on the two apprentices in administration roles following a project to look into why some people in the district are not able to work, or struggling to find a job.

During the Council study they confirmed South Cambridgeshire has the lowest unemployment rate in Cambridgeshire but senior councillors have said they want to do more to help people back into work.

Work was carried out with Council tenants currently claiming benefits showing that more than one in ten was looking for work and stronger links are being put in place to help provide the support, training and advice needed to get more people working.

One of the apprentices at South Cambridgeshire District Council is in post and the second will be taking up their position shortly.

RECYCLING COMPETITION

Congratulations to Mrs Gunton, Bar Hill, for being one of the winners in this competition.

Since launching blue bin collections in October 2010 the amount of waste the Council has sent to landfill has dropped, reducing its annual service costs by around half a million pounds. Paper recycling in the blue bin paper caddy plays a big part in generating income as it can be sold at a higher price and reprocessed back into new premium quality newsprint.

Please contact your District Councillor if you need any help or information:

Litter Picking Day
A very big thank you to all residents who turned up to help with our Litter Picking Day. A lot of rubbish was picked, mainly around Tesco, but the numbers this time were a little disappointing, especially as the day was so bright and warm. We will be having another in the autumn so please watch this space.

Grass Cutting
I have had very good reports on the new grass cutters. However, I know there are some areas that have been missed. Please let me know of these areas and I will pass on this information to our new grass cutters.

Dog Fouling
Now that the weather has started to improve, unfortunately so has the number of incidences with regard to dog fouling. PLEASE be a responsible owner and pick up after your dog.

Parish Council Meetings
The next Parish Council meeting will be held on Thursday 16th May at 7 pm in the Parish Council Office and all members of the public and press are welcome to attend. There is also an Open Forum at the start of each meeting for residents to put their views across.

Please note that the office is open to the public between 10 am and 12 noon Mondays to Thursdays and on Fridays by appointment only.

CAMBRIDGESHIRE
FIRE & RESCUE SERVICE

BONFIRE SAFETY: In the lead up to summer, if you are going to have a bonfire, ensure you take care when doing so.

- Before lighting, check children and animals are not hiding inside and are a safe distance away
- Never leave unattended and dampen down with water if you have to leave it
- Do not light in unsuitable weather – especially on windy days and take care that the smoke is not a nuisance to others, or obstructing traffic
- Never burn flammable liquids or burn aerosols, paint, foam furniture or tyres
- Build your bonfire clear of buildings, including garden sheds and hedges.

A huge thank you to residents who attended car washes held at many of our community fire stations in March. Firefighters spent many cold hours soaping up cars and raised more than £1,500 for The Fire Fighters Charity.

Community groups can now bid to secure a slice of £36,000 from the Service's new Community Fund to help tackle arson in the county. See http://www.cambsfire.gov.uk/10604 for more information. Closing date June 1.

The last of the Service's six new rescue pumps will be rolled out across Cambridgeshire this month (May), providing more life-saving equipment for fire crews who are first to arrive at the scene of incidents.

The service has also welcomed 13 new on-call firefighters into its ranks at various stations across the county during March. If you are interested in becoming an on-call firefighter, get in touch by calling 01480 444500.

Log on to www.cambsfire.gov.uk. Like our fan page on Facebook by searching Cambridgeshire Fire and Rescue, and follow us on Twitter @cambsfrs.

We are situated in our purpose built building next to the School, with direct access from the playground. We **provide childcare both during term time, after school and all School Holidays, for children aged 3-14** in a safe, stimulating and caring home from home environment with trained and experienced staff. The children walk directly to us when school finishes, with the reception and infant children being met in the reception classes and then accompanied to our building by our staff. Our Pre-School children are also collected by our staff from their Pre-Schools.

Our children enjoy a wide range of inspiring equipment, games and craft activities, from pool to computer games, dressing up to craft and lots more, or if they prefer they can chill out on our comfy sofas. We also use the safe environment of the school playground for outdoor play. A snack, such as pasta, filled pittas etc followed by a biscuit and fresh fruit is provided. We make birthday cakes to celebrate each child's birthday, which we share.

We are registered with OSTED: this enables parents/guardians who are eligible, to claim up to 70% of their childcare costs. We are also able to accept childcare vouchers eg Fair Care and Busy Bees.

Our opening hours are:

Term Time 3.10 pm – 6 pm Monday to Friday
School Holidays 8.15 – 6 pm Monday to Friday
Craft sessions 10 am - Midday Monday - Friday £5

During the school holidays we also offer **full and part time childcare as well as occasional childcare.** We also run special craft and come-to-play sessions during the school holidays 10 am—12 noon which have proved very popular, both with children and their parents/carers. It's a chance to get your shopping done or maybe do something for yourself!

Please feel free to contact us if you would like any more information or would like to come along and see what we have to offer.
